Group Art Unit No. 1652

For GLYCOCONJUGATE SYNTHESIS  
USING A PATHWAY-  
ENGINEERED ORGANISM

**STATEMENT VERIFYING IDENTICAL PAPER  
AND COMPUTER READABLE COPY**

United States Patent and Trademark Office  
BOX SEQUENCE  
Post Office Box 2327  
Arlington, Virginia 22202

Honorable Sir:

Responsive to the Notice to Comply mailed September 23, 2002, applicants' attorney herewith forwards the following:

- A Substitute Computer Readable Form (CRF) of the Sequence Listing (3.5" floppy disk)
  - Applicants respectfully indicate that the enclosed CRF has been verified as containing no errors by the Checker 4.0 computer program.
- A substitute paper copy of the Sequence Listing
- A statement as required by 37 C.F.R. § 1.821(f)
- A copy of the Notice to Comply

Applicants respectfully point out that the required paper copy of the Sequence Listing, the CRF, and the Statement under § 1.821 were all filed with the application on January 10, 2001. Furthermore, applicants are not clear as to what is required at this time—the Notice indicates that a substitute CRF and Statement are required, but the Communication from the Examiner, mailed with the Notice, only indicates that a paper copy of the Sequence Listing is required.

To further prosecution of this matter and to assist the Office in avoiding additional delay, Applicants are submitting all items indicated above.

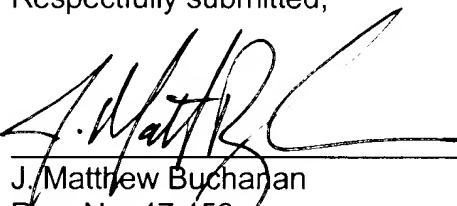

Please charge any deficiency or overpayment of these fees to Deposit Account No. 23-1925. A duplicate copy of this document is enclosed for this purpose.

Timely acceptance of the enclosed is requested.

Respectfully submitted,

Dated: October 17, 2002
